

NA-1 DAY CLASS SCHEDULE
INSTRUCTOR-LED PROGRAM

Course # NAD24104

Class Instructor: Kim Yarrington, RN

Classroom: 204 - On-campus

Class check-in begins at 8:15am in your classroom

Program Information:

- Face coverings may be required while on campus and must be worn at all times if federal, state or local mandates are in effect. We encourage students to bring their own cloth or medical masks.
- Scrubs are recommended during classroom days and are mandatory in the clinical rotation. Please wear comfortable, appropriate clothes to class if not wearing scrubs. It is possible that clothes might become soiled with laboratory skills.
- Bring to class all materials on the program requirements checklist. You will also need a watch with a second hand for vital signs.
- **Please bring a lunch.** You have only 30 minutes for lunch. If you leave for food and are not back on time, you will do makeup time to complete the class and proceed into the clinical rotation. We have microwaves and refrigerators located in the student lounge for your convenience.

PLEASE READ ALL INFO FOR SUCCESSFUL CLINICAL EXPERIENCE

CLINICAL REQUIRED ITEMS:

All clinical eligibility documentation must be completed, submitted, and confirmed by the school business office five (5) business days prior to the last day of class or the student will be removed from their scheduled clinical rotation and moved to a wait list to go into the clinical setting.

The clinical required items are as follows:

- **Substance Abuse Screening: \$60 Drug screening ONLY AVAILABLE through the school's service provider.**
- **AHA BLS CPR Card:** Sign-up for CPR class at the school or submit a current AHA BLS CPR card to the business office.
 1. **\$80/AHA BLS CPR Class** (If you do not have a current AHA CPR BLS card you must sign up for a CPR class during your registration process.)
 2. **Your CPR class must be completed prior to the beginning of the clinical rotation and the scheduled final.**
- **COVID Vaccine:** Vaccine documentation or a completed exemption form must be submitted to the school office. Medical exemption forms must be signed by the student's healthcare provider. The clinical training facility makes all eligibility and clinical placement decisions. Individuals who receive exemptions may be required to follow additional safety measures in clinical rotations. Exemption forms are available in the office
- **TB (Tuberculosis) Negative test results documentation.** Students may provide a copy of a current QuantiFERON Gold blood test, T-SPOT blood test, TB Skin Test (PPD), and/or current Chest X-ray for TB documentation. This can be obtained from their physician, a current or former employer, or another source.

Clinical Information - First Day:

- **All students will meet their instructors at the facility in the front reception area on the first day of clinical. DO NOT BE LATE.**
- After the first day, you will meet in the designated area in the facility that is set up for students.
- **Please pay attention to parking at the building.** You must park where the facility requests, you may be asked to leave for the day, and you may not be allowed to return if you do not follow the facility.
- **Please wear scrubs, bring your stethoscope, BP cuff and gait belt, and your name badge.** It is a federal law that you must wear the name badge at all times when you are in the facility.
- **Please bring a lunch.** You will only have 30 minutes for a lunch break. There may not be a refrigerator available. Bringing food in an insulated lunch bag is advised. You should not plan to go out for food while in clinical.
- **Clinical schedules are dependent upon instructor and facility availability and a maximum of 10 students can be scheduled for a clinical rotation.** OSBN regulations state maximum ratio of 10 students per instructor in clinicals.
- **Please read and review the section in OSBN Division 63: *Conduct Unbecoming of a Nursing Assistant* before going to the clinical setting.**

Program Completion Information:

Upon completion of the program the student will be issued a certificate of training from the school. **Per OSBN regulations we have 14 days to issue it.** Our office/holiday closures are posted on the website. You will be notified by email when the certificate is ready to be picked up. Your certificate, application to test, and payment for testing will be submitted online to the OSBN. A link for fingerprint scheduling is in the application from the OSBN. We are a regional testing
