

CNA-2 WEEKEND CLASS SCHEDULE

Course # A24212W

On-Campus Labs Classroom: 205

Class/Lab Instructor: Patricia Jackson, MSN RN

1st Day Reading assignment: Read in the student handbook pages 41-80

Class check-in begins at 7:15am in your classroom and on Zoom for virtual students.

Program Information:

- **MASK USE:** At this time masks are no longer required on campus; however, students are welcome to wear a face mask when they prefer. Face coverings must be worn in class and on campus when required by the CDC, OHA, or other State of Oregon government regulatory bodies. **Please do not come to class if you are feeling sick.** Contact the office for ways to continue in the class or obtain makeup time for labs.
- **Labs are ON-CAMPUS.** Please make arrangements to be in your lab classroom during lab hours. During the lab rotation you will be doing hands-on skills practice at the bedside and with your lab partners. **Labs are not offered in the virtual format due to OSBN regulations.**
- **Scrubs are required during lab days and in the clinical rotation.** Bring to class all materials on the program requirements checklist. You will also need a watch with a second hand for vital signs.
- **Please bring a lunch.** You have 30 minutes for lunch. Leaving campus for lunch is not recommended. We have microwaves and refrigerators located in the student lounge for your convenience.

It is a **Program Policy** that all students must complete the entire program within four (4) months of the last date in their regularly scheduled classroom program. This is **NOT** the final exam date, and this does not include any makeup time that may occur. If you are unable to complete the program for any reason the school must close your folder and terminate, you from the program on the 4-month deadline date.

4-MONTH DEADLINE DATE: _____

- **PLEASE SEE PAGE #2 FOR CLINICAL REQUIREMENTS**
- **Clinical schedule will be provided when number of participants and preferences are known**

CAREGIVER TRAINING INSTITUTE reserves the right to change class schedules at any time. Schedules are subject to revision based on school, instructor, and facility availability. It is our policy to adhere to published schedules whenever possible, and we will make every effort to inform students enrolled in the school program of any changes as soon as possible.

PLEASE READ ALL INFO FOR SUCCESSFUL CLINICAL EXPERIENCE

CLINICAL REQUIRED ITEMS:

It is the policy of Caregiver Training Institute that **ANY REQUIRED CLINICAL IMMUNIZATION DOCUMENTATION** for students in the **CNA-2 program** must be received by the school business office **by the first day of labs, or the students will be removed from their scheduled clinical rotation and moved to a wait list to go into the clinical setting.**

The clinical required items are as follows:

- **Substance Abuse Screening: \$60** Drug screening *ONLY AVAILABLE* through the school's service provider.
- **AHA BLS CPR Card:** Submit a current AHA BLS CPR card to the business office or sign up for CPR class at the school.
 - **\$80/AHA BLS CPR Class:** *Classes scheduled through the school must be completed by the first day of labs, and e-card documentation must be submitted to the school business office prior to the beginning of student clinical rotation.*
- **COVID-19 VACCINATION REQUIREMENT:** Vaccine documentation or a completed exemption form must be submitted to the school office. Medical exemption forms must be signed by the student's healthcare provider. The clinical training facility makes all eligibility and clinical placement decisions. Individuals who receive exemptions may be required to follow additional safety measures in clinical rotations. Exemption forms are available in the office.
- **TB (Tuberculosis) Negative test results documentation.** Students may provide a copy of a current QuantiFERON Gold blood test, T-SPOT blood test, two step TB Skin Test (PPD), and/or current Chest X-ray for TB documentation, from their physician, a current or former employer, or another source.
- **Immunization record** that includes:
 - MMR
 - HEP. B
 - TDAP
 - Varicella (or history of chicken pox)
 - Current flu vaccine (during flu season)

Program Completion Information:

Per OSBN regulations we have two (2) weeks to submit the Program Completion Summary to the OSBN for processing onto the Registry. Our office/holiday closures are posted on the website. You will be notified by email when the Registry process has been completed, with directions on how to check the Registry.
